Woodhull Township Shiawassee County Michigan

December 2021

## *A Message from the Treasurer's Office*

December is here and it is once again time for Winter Property Taxes. Winter Taxes are due without penalty by February 14th, 2022. Taxes paid between February 15th and March 1st are subject to a 3% penalty. On March 2nd unpaid taxes become delinquent and are turned over to Shiawassee County Treasurer and additional penalties and interest will apply. **Please note, that if you have recently changed companies you may want to check and verify the proper company is receiving your bill. It is the homeowner's responsibility to verify taxes are paid. Woodhull TWP is not responsible for errors in mortgage company requests.** We encourage people to use the drop box located by our office door when ever possible for payments due to increased mail issues. We also have our online tax payment service that allows residents to pay property taxes online with a credit card or electronic check. Information is posted on our website at <http://www.woodhulltp.org> and click on Treasurer tab to continue. Please note a fee does apply for this service. Electronic check is less. As always if you have any questions about your property taxes or think there is a problem please call Maggie Galilei, Township Treasurer at 517-675-4343.

Dog licenses are available from December 1st until March 1st at the Township. The application is on the back of this newsletter for new dogs. All dogs 4 months of age or older must be licensed. The cost is \$30 per dog or \$10 for a spayed/neutered dog. You must show us a copy of the rabies certificate and the spay/neuter certificate (if applicable) to receive the license if it is a new dog or the rabies has expired since last year. Please see the form on the back of this page.

### *Township Hall Rental Information*

The Woodhull Township Hall is once again available for rental for residents and non-residents. To check the availability of a date to reserve the hall please call Maggie Galilei, Treasurer at 517-675-4343. We also have an interactive calendar showing dates that are currently booked on our website, <http://www.woodhulltp.org>.

### *American Rescue Plan Act*

Our request for ARPA (American Rescue Plan Act) has been approved for a total amount of \$387,274. Half of which (50%) will be distributed now, and the other 50% one year from first payment. We will need input from our community regarding issues you think should be addressed. The money we will receive has conditions on eligible uses. ARPA relief funding represents an enormous opportunity for Townships to shore up, create, or expand programs or services to benefit our community and residents following one of the most uncertain and chaotic times in recent memory. More information and answers to question will continue to be released over the next month.

### *Office Hours for Tax Collection Beginning December 1st*

Monday-Tuesday, Thursday 10:15AM—3PM  
Saturday 11AM—2PM  
Special Hours: Dec. 29th, Feb 14th, and March 1st 9AM—5PM  
Taxes may be paid in person, online, placed in drop box by office, or mailed to P.O. BOX 166 Shaftsbury, MI 48882
