Park committee and custodian did a walk-through of the park to identify trees that are rotted and a risk to our visitors. Trees to be removed are now marked with paint.

Motion made to approve the marked trees to be dropped, and into the woods if possible. At the custodian's discretion, the wood will be removed if it falls onto the trail or any area that is not into the woods.

Justine made the motion, Paula P seconded

Motion carried.

Public comment – None.
