Maggie has turned in her resignation to the Park Board. Fred made the motion to accept the resignation as presented effective August 1, 2020. Paula seconded the motion. Motion carried.

Cindy made the motion to accept the minutes as presented. Paula seconded. Motion carried.

Fred made the motion that Cindy would move to the treasurer position for the time period through the November election. Paula seconded. Motion carried.

Budget/Financial statements were not available for our review.

The repaving on the walking path is now scheduled tentatively for the first week of September. Cindy will notify Sandy that funds will be needed from our Savings Account to pay for path work. Payment will be due within 15 days after project is completed.

Fred will be contacting a surveyor for some work to be done in park.

Cindy will contact Maggie to get contact information regarding the signs that have been ordered to be placed on Lansing Road to direct people to park.

In October a date will be set to pick up and put away toys and tables for the winter. We plan to leave one table out for the winter.

Paula has torn out old flower beds at two locations in the park – one just inside pedestrian fence opening and the other up by the ballfields. Fred is going to replace posts that are decayed on the signs and relocate to a more suitable location. Paula is going to purchase paint and sealer to refurbish the signs.

Cathy asked that board members that are returning after election give some thought to what projects we would want to consider for next year so we can be ready for budget preparation.

Fred reported that a resident beside the northwest corner of park is wanting some trees removed for fear they might come down on his property. Fred will take down dead pine trees.

The board decided that we need to take a look at the bleachers at the ballfields to see if some painting/maintenance work needs to be done.

Our next meeting will be September 14, 2020
