Budget/Financial statements were reviewed. Many thanks to Cindy for providing a detailed financial statement to us. We had some questions as far as the process to have leftover funds at end of fiscal year moved to a savings account to use at a later date. Cathy will email Township office to find out details.

The work on the walking path has now been completed. Cindy will check on the status of the bill and make sure payment is made in a timely manner.

Fred now has a corrected phone number for a surveyor and will be contacting him.

In October a date will be set to pick up and put away toys and tables for the winter. We plan to leave one table out for the winter.

Last month Cathy asked that board members that are returning after election give some thought to what projects we would want to consider for next year. We are giving thought to doing some work on the bleachers at the ballfield. More discussion to follow.

Cindy will check on the status of MDOT signs.

Paula Palmatier joined us and showed interest in being a part of the Park Commission. Cindy made the motion that we add Paula to our board. Paula H. seconded. Motion carried.

We have had a request that a ball team be able to use the back ballfield on Monday evenings 6-8 pm through the rest of September and the first two weeks of Oct. Fred gave them permission.

Fred did the fall water test and is expecting results soon.

Fred will check with the township office as to the procedure to hire a new custodian for next year.

Our next meeting will be October 12, 2020
