Minutes

Minutes read. Motion to accept minutes as amended by K. Colby and seconded by L. Sayles. Motion carried with one exception that S. Mendall was here for the meeting, but got left out of the roll call from last meeting in September.

Discuss sign

Krista checked on the frame for the corrugated sign at Meijer and they were too narrow. Fred found one at Menard's but didn't like it, so he bought the supplies to make the frame for the sign. He bought enough wood to frame both signs. It was suggested to be put up in the spring.

Fred called Mr. Freeze on the sign that will be posted on Lansing Rd. he says that falls under M dot. Fred will call the person in charge at M dot. Fred asked about the other sign telling where the park is and if the sign could be move from the south side of drive way to the north end and Mr. Freeze said it could, so it doesn't interfere with the sign that says Woodhull Twp. Park. While Fred was talking to Mr. Freeze about the sign he asked him about the tree near the road, he will talk to the tree trimming people about trimming or cutting the tree down. The tree is hanging over in the neighbor's yard, so he will check with the neighbors first.

Discuss beautifying the park

Sheila went to Van Atta's and got some suggestions from 3 different employees for different flowers. Sheila also called MSU Horticulture to see if they had interns to plant flowers. If we find out exactly what we want than they will put us on the plant list. Connie ran into Tammy Richards and she will be interested to come out to let us know what to plant and names of plants. Sheila talked to Barkens on Haslett Rd. and was given a name to call. Sheila also has books on flowers and plants. Plants that attract Monarch butterflies. Milkweeds, lavender, wildflowers.

Discuss budget

Connie sent a letter with her taxes to Mr. Cribb's to have him call her when he has a moment so she can sit down and go over our budget. Diane Hassecalled Connie and told her Jim passed the note on to her, she asked what is it you need. Connie said she needs to sit down with someone to find out why our budget is so messed up and why we still haven't received our additional funds that was granted to us back in May. We still haven't received our monthly budget and correction. We have enough money in capital outlay for the angel dust. Budget is still unsolved, waiting for Mrs. Hasse to resolve this, per her conversation she had with Mrs. Henske.

Discuss J. George working at the park

He's not working at the park, he's working somewhere else and has most his hours in.

Discuss new business

P. Hill – no new business

C. Henske – remove portal jon at the end of month, Fred will call on Tues. the last week of the month. Work bee to put away the picnic tables on Saturday, Oct. 29th at 11:00 A. M. Angel dust has been ordered.
