Re: Monthly report
Date: December 12, 2022

Accomplishments:

Purchased gas to fill all the gas cans for the winter.

Cleaned the zero turn.

Drained the hoses and power washer for the winter.

Called the tree contractor to go ahead with the tree removal and to chip the brush piles; expecting them to be here this week.

Went to AC&E rental for the jack hammer and generator to break up the concrete footings for the unused spring toys and then returned the rented equipment. Cleaned up the concrete pieces.

Asplundh Tree Service (contracted by Consumers Energy) worked in the park Thursday, Dec. 8 and Friday, Dec. 9. They will continue to work this week also. The park is closed to all traffic when they are there.

Current expenditures:

Gas	\$76.51
AC&E Rental	\$118.80
Mileage	\$225.35
