Worked on getting a price for asphalt for the driveway. I received a price from Tomco Paving for \$33,150.00. I also received a price from Parallel Contracting for \$800.00 for lining the parking area and the basketball court.

I'm working to get a second price for the asphalt project.
The four trees were removed by Bill and me as agreed on.
I ordered trash liners and doggie bags for the waste station.
Continued to work on prices for the budget.

Goals:
