Accomplishments:

Walked the path and found a small tree down on the north side of the park.

Checked the east fence that had been pushed down to see what had to be done to repair it.

Met with Mike and Son Asphalt to get a price on the driveway project. His price was \$8,480.00.

Worked on pricing for installation of the musical instruments. I will have a cost proposal for the committee at the meeting.

Goals:

Remove the tree that is along the north path.

Repair the east fence that was pushed down.

Work on preparing the area for the musical instruments.
