Accomplishments:

Went to Sam's for gas.
Repaired the fuel line on the zero turn.
I took three more water samples from the lower pavilion well and took them to Corunna. All samples passed.
Trugreen made their final treatment of the ballfields.
The upper path was finally marked in feet and 1/8th mile signs.
A 4x4 was installed by the lower pavilion well.
The musical instrument was installed.
The cement pad was poured for the faucet at the upper pavilion.
The west field foul pole was put back in place.
The address sign was put back up after being broken off.

Goal:

Mow and weed whip as needed.
Mulch leaves.
Begin the close-up process for winter.
